

Attention Individuals Living With Heart Failure:

Share your Insights & Experiences in Living with Heart Failure. The Cardiac Health Foundation of Canada in collaboration with HeartLife Foundation, a Patient Advocacy/Education Charity for those Living with Heart Failure, are looking for Individuals and/or Caregivers to share their experiences through this online survey. For individuals who are agreeable telephone interview follow-ups are also available.

Eligibility: Individuals over the age of 18 years who have been diagnosed with Heart Failure

Privacy & Confidentiality: Individual responses will be aggregated and reported on without any individual identifying information. Individuals agreeing to a telephone interview, information gathered during this telephone interview will also be reported on aggregately and anonymously without any identifying information on individuals being interviewed.

Purpose of Survey/ Telephone interview: The Cardiac Health Foundation of Canada and HeartLife Foundation wish to provide input into the Cadth (Canadian Agency for Drugs and Technologies in Health) review of the drug Dapagliflozin brand name Forixga. This review will include patients experience in living with Heart Failure and experience with medications including Dapagliflozin/Forixga.

Remuneration: Individuals completing the telephone interviews will receive an honorarium of \$35.00 payable by cheque.
